PET & FUR POLICY LIABILITY WAIVER

At Kidz Go Eco, our main objective is to provide a safe, secure, and mindful stimulating environment for your child/children that attend our eco-friendly facility. Part of our program is to have children experience unique animal species, rehabilitated animals, and to provide an enriching, stimulating live animal experience for each child to remember. Most of the animals are human imprinted, and we always take precaution and invite organizations to KGE that have animals that have been socialized, exposed, and are being used for educational purposes for children and adults. We also invite dogs, cats, and other forms of animals from the animal welfare society to educate children on pet care. To ensure the health and safety of your child as well as our staff and guests, we require all of our families to read and understand the following policy on our **Pet and Fur Policy & Liability Waiver**.

All children attending KGE must have an up-to-date and approved **Registration Form** on file prior to attending any wildlife or animal viewing at KGE. All parents must read and sign KGE's **Pet and Fur Policy & Liability Waiver** form. This form can be accessed by asking a teacher or on our website at www.kidzgoeco.com via "Registration Docs". Completed forms must be printed and brought along with you and your child or filled out at KGE prior to any live animal activity.

I acknowledge that having live animals is an educational experience, and I am giving my child permission to interact with live animals at KGE and my child has no known allergies or fears of animals. I hereby voluntarily assume the risks associated with my child participating in activities with animals as well as the risks related to its presence on Kidz Go Eco (henceforth occasionally referred to as KGE) property, including but not limited to the possibility of scratches, allergic reactions, or possible bites.

I agree that Kidz Go Eco shall not be responsible monetarily, legally or otherwise for injuries to my child that may arise in the course of interacting with live animals. I shall make no claim against and or indemnify KGE against any costs, damages, claims, or expenses that may result from an injury to my child. While KGE takes every reasonable precaution to ensure that all children in our care are safe, I recognize that incidents may happen whenever animals and humans socialize together and KGE will take no responsibility regarding these incidents.
